# Soora React Native test

For this exercise, you will replicate our homepage but in React Native.

You can visit the page and have a look. https://www.sooratheapp.com/

Below is a picture of how the homepage looks like in mobile mode:

We will evaluate you on the following:
- You follow SOLID principles
- You structure your code in an easy-to-follow format
- 1:1 likeness to the original design

**A Figma file with the design and a folder containing the needed assets will be shared with you. Please refer to the Figma file for CSS stylings.**

The deadline is 19<sup>th</sup> November 22 at 18:00 U.K time. Please reach out to us if you need extra time and please do not hesitate to ask us any questions.
